TERMS AND CONDITIONS OF USE FOR THE WEBSITE

By entering this Site, for the purpose of consulting or using our services, you indicate your acceptance of current regulations and the following additional terms and conditions of use:

1. Intellectual property rights

All data contained in this Site and particularly and not restrictively, the graphic charter, texts and logos, are legally protected by intellectual property rights (art. L122-4 and L122-5 of the intellectual property code). The reproduction, even partial, of any of its contents is strictly prohibited. More specifically, the logo, the "NETIM" trademark and our Site's domain name are copyright and are the property of NETIM, and may not, under any circumstances, be used by a third-party without prior, explicit agreement from NETIM. You agree not to re-distribute or reproduce data published on our site or provided in the context of the use of our services other than for strictly personal use.

2. Data collected during the use of the Site

In the context of the consultation or use of this Site, NETIM is brought to keep certain data of a personal nature concerning its users, such as the IP address, the date and time of their visit, and the technical material that they use (operating system, browser...). This information is collected on our server only and is used for the sole purpose of generating statistics.

3. Data collected when you subscribe to a NETIM service

In the context of the supply of its services, NETIM is brought to collect and store information concerning its users representing data of a personal nature. This data is saved on an internal database. This data will subsequently be used for the purpose of supplying the requested service, in compliance with article 20 of our general terms and conditions of sale – Domain names CG-ND.

4. Consultation of the Whois database

By carrying out a search operation via our Site's Whois service, you agree to use data in compliance with current laws and regulations, for the purpose of registering a domain name or consulting the registration of existing domain names.

More specifically, you agree not to extract, collect or use data, by any means whatsoever, in order to proceed, enable, facilitate or participate in any way whatsoever to the transmission by email, telephone or fax, of unsolicited bulk advertising or any other canvassing contrary to current laws and regulations.

Any bulk and/or automated consultation of our Whois service, as well as any corruption or attempt to corrupt the service's technical protective measures and any use, extraction, transfer, storage, reproduction, re-distribution, for purposes other than the consultation of this information and/or for the registration or modification of a domain name, is strictly forbidden.
